To,
The Board of Directors,
M/s Power & Instrumentation (Guj) Limited

- We have reviewed the accompanying statement of unaudited standalone financial results of Power & Instrumentation (Guj) Limited (the "Company"), for the quarter and nine month ended December 31, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
- 2. This Statement which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) 34 on 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial statements based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards ('Ind AS') prescribed under section 133 of The Companies Act, 2013, read with relevant Rules issued thereunder and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements).

Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter – The Company is into highly technical business field and inventory is being managed at various locations. The final value of the inventory has been calculated & certified by the management only being highly technical in nature due to various types, size, grade & other bifurcation. Hence we have not been able to cross confirm the same.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditors of the Entity", issued by the Institute of Chartered Accountants of India. A review of Interim Financial Information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33(8) of The SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015, as amended, to the extent applicable.

- 6. We have not review the financial results of joint venture included in the consolidated unaudited financial results, whose Interim Financial results reflect total revenue of Rs.64.20 Lakhs and 371.59 Lakhs and total net profit of Rs. 61.95 Lakhs and 61.18 Lakhs for the quarter and nine months ended December 31, 2024 respectively, as considered in the Consolidated Unaudited Financial Results.
- 7. Emphasis of Matter The Company is into highly technical business field and inventory is being managed at various locations. The final value of the inventory has been calculated & certified by the management only being highly technical in nature due to various types, size, grade & other bifurcation. Hence we have not been able to cross confirm the same.

Our conclusion on the statement is not modified in respect of the above matters.
